

Mark, thank you for the professional touch up on the finishes of my six dining rm chairs. Each chair had a variety of scrapes/nicks on the legs/backs. I realize such a multi step lacquer finish is most difficult to restore. You did a great job. They look brand new.

I know it took days as each layer needs to dry before the next can be applied. Plus the damage was random, different on each chair. Appreciate your patience. You have an unique skill.

Feel free to use me as a reference.

Best regards, Roy Jenks, Rancho Mirage, CA.
