Museum Quality Restoration Services  
18100 Bennett  
Desert Hot Springs, CA 92241

Dear Mark:

This is a long overdue thank you. I really appreciate your coming in and without hesitation fixing the table, which sold the next day. It hasn't been paid for in full nor picked up, so we may need you again should something go wrong, but I wanted to be sure to say a big Thank You.

Most sincerely,

Colin Fisher
