To Whom It May Concern,

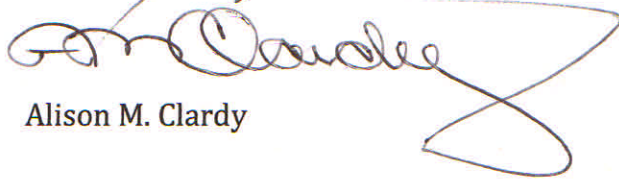

Upon moving to the Twentynine Palms, California area, Mr. Fry was recommended to us for furniture repair and restoration. After working through a claims process with us, he has repaired several damaged pieces of furniture. Mr. Fry has exceeded our expectations because his work is professional, timely and of the highest quality.

We continue to return to Museum Quality Restoration for other repairs and restoration. We highly recommend Mr. Fry's services to anyone in need of this type of furniture expertise.

Sincerely,

H. Stacy Clardy, III
